**INDIANA UTILITY
CAUSE NO. 42702 REGULATORY COMMISSION**

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On December 6, 2004, Rising Sun Municipal Utilities and Southeastern Indiana Rural Electric Membership Corporation ("Joint Petitioners") filed a *Verified Joint Petition to Modify Service Area Boundaries* ("Petition"). While the letter of agreement between the Joint Petitioners attached to the Petition describes the area at issue as property upon which "[A] new 21-lot subdivision called Riverview Estates is being developed" and references the attached Facet Map Y-23-1 depicting the area, this description is insufficiently specific to describe the area for which a boundary change is sought.

Accordingly, the Presiding Officer directs the Joint Petitioners to file with the Commission, within ten (10) days of the date of this Docket Entry, information which more specifically identifies the area at issue. Such information may contain a legal description of the property or identify roads or landmarks near, on, or adjacent to the area. Designation of the county in which the subject area is located may also be appropriate.

IT IS SO ORDERED.
